Dear Madam / Sir,

The International Centre for Environment Audit and Sustainable Development (iCED), has been set up by the Comptroller and Auditor General of India in 2010 for capacity building of auditors on issues related to environment and sustainable development. It is envisaged as a Global Centre of Excellence for improving accountability and governance in the areas of environment and sustainable development. Spread across 16 acre, iCED is a green campus and a residential training centre having state of the art training facilities and located just outside Jaipur. It is aspiring to receive a five star GRIHA rating.

The Working Group on Environmental Auditing (WGEA) and the Working Group on Extractive Industries (WGEI) of International Organisation of Supreme Audit Institutions (INTOSAI) has designated iCED as its Global Training Facility. iCED participates in research projects under WGEA Work Plans. iCED continues to undertake quality research and capacity building initiatives in addition to its commitments for WGEA.

In this process of capacity building and research, interns are also engaged at iCED. Internship plays an important role in helping the students to apply their knowledge and skills in a professional setting while still in college. It aids the process of student's learning and offer carefully planned and monitored work experience.

If any of your students is interested in pursuing the Internship programme he / she may apply for the Internship Programme at iCED in the prescribed form by **15th April 2022**. The internship programme would commence in the month of **May 2022**.

Details regarding eligibility, duration, remuneration, nature of engagement etc. are attached. In case this timeline is not be suitable for your institute / students, you may communicate the institutional views in respect of this proposal, time suitable for your students, etc. by the above date to help our future planning in this regard. Any further information for the programme can be accessed through our website www.iced.cag.gov.in or you / willing interns may write to us at iced@cag.gov.in.

With regards.

Yours sincerely,

Pushkar Kumar

Director (Training & Research)
