

INVITING APPLICATIONS FOR

JOINT MSC-PHD PROGRAM IN MEDICAL PHYSICS

Pursue a career that allows you use Physics to save lives

A joint Programme of IIT - Kharagpur and Tata Medical Center, Kolkata

ABOUT MEDICAL PHYSICS

Medical physics is a career that allows you to leverage your knowledge of Physics in designing treatments for cancer patients. Medical physicists are employed at major cancer centers across the globe and help plan treatment using radiation. Alternative career options in the industry, academia and regulatory agencies are available for successful participants.

PROGRAM HIGHLIGHTS

- The first 2-year course of it's kind allowing MSc and Ph.D. in Medical Physics
- Education and certification from IIT Kharagpur
- Multi-speciality research and collaboration in biomedical field
- Paid internships in Tata Medical Center Kolkata
- Scholarships available to subsidize course fees

Age Limit	Minimum 20 years at the time of admission
Eligibility	10+2 with Science (Biology preferable) B.Sc. with Physics and Mathematics Aggregate score \geq 60% or equivalent grade
Application By	Please check site
Written Test	17th June 2018
