6. **Menstrual Hygiene Session** – Breaking the Blood Taboo - On August 14, 2020, the NSS cell, in collaboration with Presidency University, collaborated with Unicharm India Hygiene. The session started with an introduction about ‘Menstruation’ where a detailed presentation was held to first unroll the taboo and misconception it has in society. The elementary focus of the session was educating women about ‘what is menstruation?’ and ‘how the menstruation cycle works?’ (The female reproductive system and how it functions). One of the key
