Library Notice

Date: 04 February, 2025

Sub. – Access to Turnitin Plagiarism Detection Platform

This is to inform you that the University library has subscribed to 'Turnitin', the plagiarism-detecting software (PDS) for one year. You are requested to use the platform (<https://www.turnitin.com/>) for checking similarities in research articles, book chapters, students' papers & dissertations, project reports etc. as the Drillbit PDS of UGC Inflibnet is given only for checking Ph. D thesis. Your university e-mail may be used as the instructor login id and password may be reset through forget password option.

You may contact Dr. Rabishankar Giri (rabi.lib@presiuniv.ac.in) or Ms. Kuheli Dutta (kuheli.lib@presiuniv.ac.in) at the Library for further assistance.
