## ANNUAL REPORT 2021-2022

### 1. About COE Section

The office of the Controller of Examinations is looking after all Operations and Administrative Activities related to Examinations of this university. The Undergraduate and Postgraduate semester examinations along with PhD coursework examinations of Presidency University are conducted by the office headed by the Controller of Examinations. This office is situated in the second floor of the Main Heritage building of the Presidency University (erstwhile Presidency College). Equipped with IT enabled facility, it is committed towards the development of an International Standard Secured Examination Processing System to cater the global changes in the assessment system of the academic parameters.

The major administrative responsibilities of the Controller of Examinations include the following:

- 1. Planning of Examination related Semester wise Activity Calendar. Issue of all type of notification/circular etc. related to examination and preparation of detailed schedule of Examinations.
- 2. Computerized generation of various appointment letters related to examinations under the signature of the Controller of Examinations.
- 3. Planning of meeting of Departmental Examination Committee for the purpose of Moderation. Arrangement of printing of all Question papers and sending the same to the examination venue in sealed envelopes.
- 4. Computerized processing of application forms and issue admit cards to the eligible candidates.
- 5. Make such other arrangements as may be required for smooth conduct of examinations.
- 6. Compilation of marks received from the departments in a computerized system to prepare the Tabulation Rolls and to publish the results.
- 7. Issue mark sheets to the candidates after publication of result.
- 8. Arrange for re-examination/review of answer scripts and revised mark sheet.
- 9. Prepare Degree Certificates for endorsement by the Vice Chancellor & to prepare Merit Certificates for issuance during University Convocation.

- 10. Issue such other certificates (Academic Transcripts, Provisional Certificates etc.) as may be required from time to time to the candidates against requisite fees.

## 2. IT integration in the examination procedures and processes

Examination procedure has been completely automated using a need based IT software customized for us. The University has an ERP integrated examination management system where processes related to pre examinations, conduct of examinations, processing and publication of results and awards of degrees are controlled and monitored by office of the Controller of Examinations. The University is persistently working for Examination Reforms in procedures, processes, integrating Information Technology (IT) and incorporating continuous Internal Evaluation Component. The University has a well-established and efficient software called “Examination Management System (EMS)” for storing the students’ academic data and preparation of result.

Students list, continuous assessment marks, end term marks etc. are uploaded on ERP portal by concerned faculty members using web based ERP portal online. Suitable IT integrations were made in the collection of Assignments/Term Papers/Reports/Quiz/Tests from the students as per as practicable for the purpose of the Examinations/ Assessments. Admit Cards are also generated and printed through internal IT applications of Examination Cell. Even after publication of results (online) for the Final Year passing out students of Even Semesters (UG &PG) special arrangement via an online link was made for providing Result cum Grade Card (as CGPA and aggregate marks are required for admission in higher studies and downloading of online Provisional Pass Certificates from the University website).

Examination/Assessment was conducted in blended form (both online and offline) in pursuance to the relevant resolutions of the Governing Board of Presidency University, taken in the light of UGC guidelines from time to time under covid impacted situation during 2020-21. Examinations were held in a smooth hassle-free manner due to IT intervention. It also helped the Office of the Controller of Examinations in coordinating with the DECs in conducting the Examination in a decentralized manner.

Suitable IT integrations were made in the collection of Assignments/Term Papers/Reports/Quiz/Tests from the students as per as practicable for the purpose of the Examinations/ Assessments.
